RE: Offer from CAA

We have some exciting information regarding group rates with CAA. They are now offering group rates to all their membership levels! I have attached their new CAA Flyer effective immediately.

I would like to inform you of their upcoming price increase effective September 1st, 2023; the pricing is as listed below:

Premier Primary: \$155 +tax (Reg. \$189)
Premier Associate: \$130 +tax (Reg. \$159)

Plus Primary: \$125 +tax (Reg. \$149)
Plus Associate: \$98 +tax (Reg. \$119)

Classic Primary: \$97 +tax (Reg. \$99)
Classic Associate: \$67 +tax (Reg. \$69)

Don't drive or need roadside assistance? No problem! Their newest membership available for group rates is their Everyday membership. CAA Everyday Membership is for those who don't need roadside coverage. Designed for people who walk, run, cycle, or drivers who want to save on fuel. CAA every day provides all the benefits of Membership, like insurance savings, and travel savings, as well and receive discounts on everyday purchases and score savings with thousands of Rewards partners worldwide, both in-store and online. And if you pop a tire or break a chain on your bike? CAA Bike Assist is built into the Membership, too. Our Everyday membership is available at just \$28.00 + tax per year, for primaries and associates. (Reg. \$30)

You may join via their website at www.groups@caaneo.on.ca, or by phone at 1-800-267-8713, or in-store.
